

**Bring a little green
to the jobsite.**

Less jobsite waste
Recyclable packaging
Easy-to-see inventory
RoHS compliant
CAT 5e/5e+/6

Leviton's Contractor-Friendly GreenPack™ is easier on the environment and easier on you.

Leviton's new GreenPack™ is compact, recyclable, and contains 24 lead-free connectors in individual pockets. That means less pollution, fewer heavy metals in landfills and a safer environment for everyone. Plus, clear, easy-open pockets allow you to pop out just one connector at a time, and instantly see how many you have left.
